A complete [menu](#) of La Luna Express Upper James from Hamilton featuring all 36 dishes and drinks can be found here on the list. La Luna offers generous portions of fresh salads with quality ingredients, but falls short with disappointing entrees like the over-salted veggie platter and unusual falafel. Takeout orders consistently feature well-portioned salads like tahini and fattoush, but sandwiches like chicken and falafel lack flavor and crispiness. Delivery orders through third parties may result in lackluster dishes like dry shawarma. However, dine-in experiences are pleasant with friendly staff and flavorful options like kafta. While parking may be a challenge, vegetarians can enjoy a variety of options like soups and sandwiches. The overall value is fair, and the hot sauce and garlic sauce receive high praise.
