Here you will find the [menu](#) of **Tarboosh Restaurant** in Mississauga. At the moment, there are **37** meals and drinks on the menu. Tarboosh has seen better days, as many long-time customers have noticed a decline in quality since the original owners left. The food is now flavorless and poorly made, with cheap ingredients and small portion sizes. The restaurant itself is in need of a makeover, from the tired buffet to the old, dirty restroom.

However, there are still some loyal customers who appreciate the familiar and homey atmosphere, friendly service, and delicious dishes like falafel and Lebanese food. Despite mixed reviews, some visitors continue to support this family-owned establishment for its longstanding presence in the community and tasty offerings.
