A complete [menu](#) of Au Petit Café Chez Denise from Saint-Sauveur featuring all 18 meals and drinks can be found here on the menu. Located on a main street, this café focuses on breakfast options but falls short on service. Despite a spacious terrace, wobbly tables and bulky chairs disrupt the experience. Service was minimal, with dirty glasses left on the table, errors in orders, and hair found in food. Positives include parking, friendly staff, and quick service. Bathroom cleanliness needs improvement. Mixed reviews highlight experiences ranging from disappointing meals to excellent service and diverse menu options. While some find the prices reasonable for the quality, others feel it is overpriced compared to similar brunch spots. Overall, the café offers a mixed bag of experiences, with some standout moments and areas in need of improvement.
