On this webpage, you can find the **complete menu** of Italian Food Center from West Haverstraw. Currently, there are **20** menus and drinks up for grabs. Italian Food Center has received mixed reviews since owner Anthony's passing. While some loyal customers still swear by their sandwiches and authentic Italian products, others have noticed a decline in quality since his absence. For some, the meat to cheese ratio in the Italian combo is off, the salads are lackluster, and there's too much cheese in the sandwiches. However, others praise the delicious Stromboli and imported cold cuts. Despite the inconsistencies, the general consensus seems to be that the food is still worth a visit, especially for those craving traditional Italian fare. The legacy of Anthony lives on in the hearts of many customers.
