Here you will find the [menu](#) of Kody's Bar Restaurant in [Port Aransas](#). At the moment, there are **33** meals and drinks on the list. Nestled in a bustling area, the restaurant offers delicious seafood options, with dishes like pan-seared snapper and grilled shrimp receiving high praise for their authenticity and flavor. However, customer service issues mar the experience—long wait times, unprofessional staff, and a chaotic ordering process left many diners frustrated. Recent encounters with cleanliness and attention to guest concerns have also raised red flags. While the food impresses, those considering a visit should prepare for potential service hiccups, as experiences can vary significantly. Overall, the restaurant holds promise but requires improvements to enhance the dining experience.
