Here you can find the [menu of Sonny's Bbq](#) in Marietta. At the moment, there are **16** dishes and drinks on the menu. Sonny's BBQ promises a cozy atmosphere and friendly service, but opinions on the food are notably divided. While the brisket and pulled pork egg rolls receive praise for their flavor and preparation, many diners express disappointment over sides like mac and cheese and cold fries. The restaurant's selection of sauces adds some depth, yet the quality of meats leaves something to be desired, often described as lacking depth and featuring less desirable cuts. Despite the inconsistent food quality, warm service, especially from standout staff, suggests a potential for connection and improvement in future visits.
