A complete [menu of Empire Pizza](#) from Tucson covering all 18 menus and drinks can be found here on the menu. Once celebrated for its NY-style pizza, this downtown restaurant has recently faced a wave of criticism alongside its culinary acclaim. Loyal patrons have noted a decline in service quality and the unfortunate closure of indoor seating, compelling diners to brave the heat outdoors. While the pizza remains a standout, with notable toppings and delicious crust, inconsistencies in order fulfillment and menu availability have frustrated many. Though diners appreciate the competitive drink prices and outdoor ambiance, the current ordering experience leaves much to be desired. With adjustments, this could easily reclaim its esteemed status among local favorites.
