A **comprehensive menu** of **Bodai Vegetarian** from FLUSHING covering all **15** meals and drinks can be found here on the food list. Bodai Vegetarian has garnered a mix of reviews from diners, reflecting a shift in quality and service over time. While some patrons reminisce about the restaurant's once-exquisite flavors, noting generous portions and standout vegan options like walnut shrimp and their vegan fish dishes, others express disappointment due to recent experiences with unclean dishes and greasy food. The atmosphere remains charming, featuring inspirational decor, but complaints about inattentive staff have surfaced. Despite these inconsistencies, many continue to appreciate the plant-based menu, ideal for those seeking authentic vegan cuisine. Will Bodai **Vegetarian** rise again to meet expectations? Only time will tell.
