On this website, you can find the **complete menu** of Walnut Street Bakery from [Seneca](#). Currently, there are **16 meals and drinks** available. Walnut Street Bakery presents a mixed experience for its patrons. While the bakery boasts impressive artful decor and a broad selection, including vegan options, the quality of baked goods often falls short. Reviewers have reported dry cupcakes and cookies, with a few praising the moistness of specific cheesecakes and macarons. Service can feel relaxed, possibly at the expense of quality control, as some items appeared overcooked or inconsistent in size. Despite these setbacks, special occasion cakes and personalized service have garnered high praise, suggesting that while the bakery has potential, consistency remains a significant hurdle.
