Here you can find the [menu](#) of Star Pizza in Katy. At the moment, there are **16** meals and drinks on the food list. Star Pizza offers enticing deep-dish options, with many diners praising the flavorful dough and creative toppings. While the menu boasts quality picks like the Starburst pizza, customer experiences often fall short, particularly due to unwelcoming service. Some patrons encountered rude staff and, in unfortunate cases, food that led to unpleasant health issues. Despite its promising menu, consistency in both quality and service remains a challenge. Diners appreciate the relaxed atmosphere and variety, but many express a desire for friendlier interactions and better management of orders. A venture here may be rewarding for pizza enthusiasts willing to overlook the shortcomings.
