The restaurant from Bemus Point offers **24 different menus and drinks on [the menu](#)** at an average \$7.0. Nestled in Bemus Point, this restaurant has garnered attention for its impressive offerings, particularly subs, which are praised for their freshness and generous portions at reasonable prices. While the pizza's quality is more hit-or-miss, with some enjoying its flavor and others finding it bland, the same can't be said for the burgers and BBQ ribs, which receive high accolades. The atmosphere is inviting, enhanced by friendly staff who provide attentive service, although there are occasional lapses in customer interaction. Overall, this spot is recommended for casual dining, especially for those seeking satisfying subs and a laid-back vibe by the lake.
