The menu of Pin Ming from Boston includes **16** meals. On average, **meals or drinks on the card** cost about \$4.8. The categories can be viewed on the menu below. Nestled in Boston's bubble tea scene, this restaurant garners a wide range of feedback. While some praise the flavorful passion fruit smoothies and the appealing brown sugar milk tea, others lament the disorganization and prolonged wait times. Complaints about overcooked boba and artificial flavors in drinks like the taro milk tea are common. Despite friendly staff, inconsistent quality and service issues often overshadow the positive aspects of the offerings. For boba enthusiasts, this spot presents a mixed bag—delicious potential marred by executional pitfalls that could hinder its success in a competitive market.
