The restaurant from Scranton offers **30** different **dishes and drinks** on [the menu](#) for an average price of \$5.5. The restaurant offers amazing food with a busy atmosphere and slightly lacking staff. Customers recommend the pancakes, House Fries O'Brian, French toast, and bacon. Despite some initial hiccups, the delicious food makes it all worth the wait and the price is reasonable. The decor is a mix of late 60s with a modern touch, creating a calm and relaxed atmosphere. While some experienced issues like finding hair in their food, overall patrons have been loyal for years due to the great food, courteous service, and weekend specials. Make sure to grab some rice pudding on the way out!.
