On this site, you can find the **complete [menu](#) of Koko Sushi Lounge** from Green Bay. Currently, there are **17** meals and drinks available. Koko, once known for its romantic ambiance and delicious food, has made some disappointing changes in its new location. The dining area now feels like a sports bar, with overly loud music. The food portions are small and some dishes, like the Fiesta roll, missed the mark. Despite issues with service and pricing, loyal customers appreciate the high-quality [sushi](#) and excellent appetizers. Overall, Koko offers fresh and tasty food, with some improvements needed in service and atmosphere. With mixed reviews, Koko remains a place where some diners leave impressed, while others are left wanting more.
