The Card of Taqueria La Zacatecana from **Garner** contains about **15** different menus and drinks. On average, you pay for a dish / drink about \$7.2. Dining at this restaurant offers a mixed experience that leans heavily towards disappointment. While the food, particularly the tacos and burritos, garners some praise for flavor and quality, issues with service overshadow this. Patrons frequently report experiencing rude and dismissive attitudes from the staff, making the overall atmosphere unwelcoming. Furthermore, the confusing menu, especially for non-Spanish speakers, adds to the frustration. Guests have found their visits to be overpriced, leaving many feeling unsatisfied and questioning whether a return trip is worthwhile. For those seeking a pleasant dining experience, this place may not be the best choice.
