The restaurant from Cypress offers **25 different menus and drinks on the menu** at an average \$4.4. Honey Teahouse offers a mixed bag of experiences, from cozy ambiance and a diverse menu to disappointing service and hygiene concerns. While some patrons rave about the creamy mango black tea and the inviting decor, others report issues with orders, including incorrect items and cleanliness problems. Gluten allergy warnings highlight the need for better communication. Despite the occasional service misstep, the teahouse has seen improvements under new management, resulting in faster service and a more pleasant atmosphere. For those seeking a relaxed spot with a range of drinks and snacks, it remains a worthwhile stop, albeit with caution.
