A **complete [menu](#) of Timberline Summit Pass** from Government Camp covering all **16** meals and drinks can be found here on the card. Timberline Summit Pass Restaurant, located on Mt. Hood, offers a picturesque setting for families seeking a ski adventure. While beginners may enjoy the mellow slopes, the restaurant's culinary offerings leave much to be desired. Diners have described their meals, particularly ribs, as tough and poorly heated, detracting from an otherwise beautiful day. Despite the frustrations surrounding equipment rentals and service expectations, some guests appreciate the hospitable staff and the delicious brisket paired with friendly service. The location caters well to families, but be advised to manage expectations regarding food quality and overall service, particularly during peak times.
