A **comprehensive [menu](#) of Hires Big H** from West Valley City covering all **19** menus and drinks can be found here on the food list. Hires Big H offers a nostalgic environment where classic burgers and tasty fries often shine.

While some patrons rave about the flavorful burgers and friendly, accommodating staff—especially towards families—others report significant disappointments at this location, citing disorganized service and inconsistent food quality. Issues such as incorrect orders, long wait times, and limited dessert options have been noted. Despite the charming ambiance and delicious fry sauce, potential diners should consider exploring their more reputable downtown counterpart for a more reliable experience. Overall, the restaurant has the potential to delight, but consistency remains a concern.
