Here you can find the [menu of Levulose](#) in BRONX. At the moment, there are **22** dishes and drinks on the food list. At Levulose, patrons rave about the delicious offerings, particularly the cheese pastelitos and protein smoothies, showcasing fresh ingredients and flavorful combinations. However, the ambiance raises concerns, as some have noted unsightly bugs and hygiene issues. While many appreciate the friendly staff and reasonable prices, negative experiences—such as incorrect orders and disrespectful service—detract from the overall impression. Despite these drawbacks, healthy options like the green shake stand out, and the establishment has the potential to attract more health-conscious customers with continued dedication. For now, Levulose remains a mixed bag of culinary delights and service challenges.
