Gurus, formerly known as Charly's Pizza, has garnered mixed reviews since its transition to an Italian/Indian concept. While many laud the excellent calzones and fresh buffet options at great prices, others express disappointment over subpar pizzas, including bland crusts and insufficient cheese. Concerns about the quality of the salad bar and unprofessional service also surfaced, highlighting inconsistencies in food preparation and delivery. Despite some positive experiences with friendly staff and tasty offerings, the overall sentiment leans towards a lack of reliability, prompting recommendations to explore alternative pizzerias in the area. Gurus faces a challenging path ahead.
