A complete [menu](#) of Favoritea Cafe from Burbank covering all 15 dishes and drinks can be found here on the card. Nestled in the vibrant community of Burbank, this restaurant offers a mixed experience that tantalizes some taste buds while leaving others wanting more. While many patrons rave about the refreshing watermelon slushy and authentic boba flavors, some report a lack of boldness in their milk teas, describing them as bland. The food has garnered mixed reviews, with items like the popcorn chicken and kung pao chicken receiving praise, but offerings such as the char siu bao and sesame balls falling short in quality. Factor in the friendly staff, and this spot remains a hit-or-miss destination for boba and casual dining.
