A **complete menu** of Smashburger from Chicago covering all 17 meals and drinks can be found here on the card. Smashburger offers a mixed experience that swings between deliciousness and disappointment. While patrons rave about the juicy burgers, crispy sweet potato fries, and enticing shakes, service issues plague the establishment. Complaints of rude staff and lengthy wait times overshadow good food, particularly when orders go wrong or are served cold. Although some visitors commend the friendly service and cleanliness, many mention feeling unwelcome, especially during busy hours. With a prime location in downtown Chicago, the potential for a delightful dining experience exists, but inconsistent service and food quality may deter future visits. Choose wisely!.
