A complete [menu](#) of Mrs. K's Bakery from Gravois Mills covering all 21 meals and drinks can be found here on the menu. Nestled in Laurie, MO, Mrs. K's Bakery offers a delightful array of pastries and sandwiches that many rave about, particularly their breakfast burritos and homemade muffins. However, customer experiences vary significantly. While some patrons praise the extensive menu and quality, others recount disappointing service and unfulfilled orders. Issues like frequent shortages of popular items, poor communication, and unprofessional handling of special requests have overshadowed the bakery's strengths. Despite these challenges, the charming atmosphere and dedicated staff keep some returning for more, hoping their next visit will yield a better experience. Mrs. K's Bakery remains a mixed bag for food lovers.
