Here you can find the [menu](#) of Oscar's Taco Grande in Anchorage. At the moment, there are **20** courses and drinks on the card. Nestled in a convenient location, this restaurant, renowned for its incredible tacos and burritos, is a mixed bag of experiences. While many patrons rave about the fast service, friendly staff, and excellent food quality, others have been disappointed by inconsistent seasoning and portion sizes. The cash-only policy is a drawback for some, as is the atmosphere, which could use some enhancement. Despite these criticisms, the overall sentiment remains positive, particularly for the standout dishes like the reindeer sausage and beef tacos. It's a go-to spot for quick bites, but first-time visitors may want to taste their food before leaving.
