**The Menu** of Domino's Pizza from Charlotte includes about **21** different dishes and drinks. On average, you pay for a dish / drink about \$7.7. At this Domino's location, customer experience is inconsistent. While some patrons praise the quality of food and the staff's friendliness, others lament poor service, including long wait times and incorrect orders. Customers express frustration over the gritty texture of the pizza due to the switch from flour to cornmeal, noting that competitors provide a better product. Despite the complaints, a few appreciate the quick service during snowy weather, highlighting positive interactions. Ultimately, this restaurant shows potential but needs to prioritize quality and customer care to enhance overall satisfaction.
