The restaurant from Greensboro offers **15** different **dishes and drinks on the card** at an average \$8.5. Recent visits to IHOP have revealed a blend of impressive culinary offerings and notable service shortcomings. While some patrons found the food enjoyable, with highlights like crispy hashbrowns and flavorful pancakes, they often experienced frustrating delays. Issues included improperly seated guests, inattentive waitstaff, and cleanliness concerns. With understaffed kitchens, long waits for food were common, leaving diners dissatisfied and eager for improvement. The atmosphere was marred by cleanliness issues and confused service. Although many appreciate the diverse menu, consistency in service and attentiveness remain areas needing urgent attention for a better dining experience.
