A **comprehensive [menu](#) of Hanes Tavern** from New Kensington covering all **15** dishes and drinks can be found here on the food list. Nestled in a basement, this dive bar offers a mixed experience for patrons. While it boasts an inviting atmosphere and commendable bartenders who excel in service, the air quality is a common concern, particularly for non-smokers. Many appreciate the affordable drinks, with an average cost per person ranging from \$10 to \$20, though food has been off the menu for years, leaving some disappointed. The bar welcomes a low-key crowd, making it an excellent spot for socializing. Overall, despite its quirks, it holds a special charm for those who enjoy a classic dive bar experience.
