This beloved bagel shop has garnered a loyal following for its delicious offerings, including a variety of flavorful bagels and appealing cream cheese options. Customers rave about the quality, particularly the large, chewy bagels that rival those from NY. However, recent price increases have left some patrons disheartened, driving them to seek alternatives. While staff members generally provide friendly service, inconsistency has been noted, with reports of inattentiveness during busy times. The atmosphere, though charming, suffers from cleanliness issues, which could deter potential customers. Overall, it's a place of promise but with room for improvement.
