

When did nachos become popular?

While a Mexican hotel manager created the dish in 1943, a U.S. sportscaster gets credit for popularizing nachos in 1976.

A complete [menu](#) of Missouri River And Grill from Cascade covering all 15 dishes and drinks can be found here on the food list. Nestled in a picturesque canyon, this family-owned restaurant offers a blend of cozy ambiance and hearty cuisine, yet experiences can vary widely. While some patrons rave about the amazing BBQ Bourbon burger and fresh-cut fries, others cite significant delays and lukewarm meals that leave much to be desired. The friendly service received praise, with one waitress hailed as a standout; however, efficiency issues are noted. Ideal for casual dining, especially post-float or fishing, the restaurant is a must-visit for adventurous eaters. Just be prepared for a wait if busy, as service timing can be inconsistent.
