The Menu of Tropical Smoothie Cafe from St Peters includes about **15** different dishes and drinks. On average, you pay for a dish / drink about \$6.5. Tropical Cafe offers a mixed experience. While some patrons commend its delicious smoothies and pleasant atmosphere, highlighting the improvement in decor post-renovation, others report significant issues with customer service. Instances of inattentive staff and lengthy waits are common, with employees seemingly distracted by personal devices. Despite the flavorful offerings, including a praised Veggie Hummus wrap, the overall service experience has declined for regulars. It appears that while the cafe's menu stands out among competitors, consistency in service needs urgent attention to ensure a better balance of quality and hospitality.
