A **comprehensive menu** of Wendy's from Suwanee covering all 15 menus and drinks can be found here on the card. At this Latin restaurant, customer experiences highlight a stark divide. Reports of rude and discriminatory behavior from staff, particularly toward Black patrons, underscore a troubling atmosphere that demands immediate attention from management. Patrons frequently find their orders incomplete and face disinterested service, illustrated by instances of missing coffee during breakfast hours. In stark contrast, a nearby Wendy's establishment has garnered praise for its cleanliness, fresh food, and attentive staff, creating a welcoming environment. This juxtaposition in service quality raises questions about management practices and employee training across local dining establishments. A plea for consistency and respect in customer service resonates throughout these experiences.
