A **comprehensive menu** of Arby's from Clearwater covering all **14** courses and drinks can be found here on the food list. At this Arby's location, customers report a mix of experiences that highlight significant inconsistencies.

While some patrons rave about the indulgent Big Kahuna sandwich and beloved curly fries, others express frustration over incorrect orders and unappealing cleanliness, including reports of moldy food. The ambiance suffers from unsightly decorations and poor management, contributing to a negative atmosphere. Despite long-time loyalty from some fans who appreciate special deals and attentive service, issues with hygiene and food quality have led many to recommend steering clear of this particular establishment. Overall, it's a hit-or-miss dining experience that leaves much to be desired.
