At The Cake Shop, customer feedback reveals a polarized dining experience. While some patrons rave about the impressive variety and delicious flavors of cakes, particularly the guava filling and almond cake, others highlight significant shortcomings. Issues such as overly sweet icing, dry textures, and inconsistent customer service mar the reputation of this bakery. Though some customers enjoyed beautifully crafted cakes with great ambience, dissatisfaction looms for those who encountered stale products and high prices. Overall, The Cake Shop demonstrates potential, yet its inconsistent quality and service may deter repeat visits from many customers.
