On this webpage, you can find the **complete [menu](#) of Bear River Casino Resort** from Loleta. Currently, there are **15** courses and drinks up for grabs. Nestled near the stunning Redwood Parks, this recently renovated casino resort offers a mixed bag of experiences. Guests praise the clean, modern accommodations and friendly service, particularly highlighting the breakfast and the Thursday pasta-making nights at the restaurant. However, recent renovations have led to limited dining options and some guests reported issues like broken room doors and muddled orders. The casino, while smaller, boasts a variety of up-to-date machines and has been commended for its cleanliness. Communication about closures and renovations could improve, allowing guests to manage expectations. Overall, it's a charming yet evolving destination for travelers.
