Here you can find the [menu](#) of Arby's in McComb. At the moment, there are **15** meals and drinks on the food list. In a recent assessment of a local restaurant, experiences varied widely among patrons. While many praised the quick service and fresh, delicious offerings, including standout burgers and warmly recommended sliders, others faced significant disappointments. Technical issues disrupted some diners' visits, leading to a lack of food preparation and a perceived indifference from staff. Additionally, complaints about order accuracy and food quality, such as cold and burnt items, were noted. However, attentive and friendly service, along with flavorful menu selections, kept some customers returning for more. Overall, the restaurant exemplifies a mix of potential and inconsistency, leaving room for improvement.
