A **complete menu** of Tcby from Mountain Home covering all **18** dishes and drinks can be found here on the menu. Sprinkles Creamery has garnered mixed reviews since its recent transition. While some patrons lament steep prices and declining ice cream quality, describing flavors as watered down and toppings sparse, others appreciate the inviting atmosphere and diverse offerings, including smooth frozen yogurt and delightful coffee. Customers value the cozy seating for chilly days and a sunny patio for relaxation, making it a popular downtown stop. Notably, the service is praised, highlighting staff who ensure a pleasant experience, especially on "Topping Tuesday." Overall, it's a space where community members gather, though some hope for a revival of its former ice cream glory.
