Here you can find the [menu of Mr Submarine](#) in Richmond. At the moment, there are **19** meals and drinks on the card. Mr. Submarine is a popular spot for a quick and delicious sub. The Club Sub received high praise for its fresh ingredients, especially the cold cuts. The fast service and affordable prices make it perfect for a lunch on the go. While the Gyro and Cheese Steak are good options for a fast food fix, some reviews noted issues with the seasoning and cheese on the sandwiches. However, the large portion sizes, friendly staff, and classic sub options make Mr. Submarine a favorite for many customers. With the drive-thru being the only option for service now, some customers miss the ability to eat inside the restaurant. Despite some mixed reviews, the longstanding tradition and dedicated staff at Mr. Submarine have earned them a loyal following of customers.
