Here you can find the [menu](#) of **Tapa The World** in Sacramento. At the moment, there are **16** dishes and drinks on the food list. Located in lively midtown Sacramento, this Spanish restaurant, with a clever pun in its name, offers a decent dining experience. While the food may not be life-changing, the ambiance is fun and perfect for gathering with friends. The sangria is highly recommended, and there are plenty of vegetarian options available. The service can be hit or miss, with some servers being more attentive than others. Overall, despite the slight letdown in terms of quality compared to price, the establishment is worth a visit for its delicious food and welcoming atmosphere. Just be prepared for the challenge of downtown parking.
