The *menu of El Pulpo* from Dallas includes **21** dishes. On average, **dishes or drinks on the menu** cost about \$14.4. The categories can be viewed on the menu below. Mixed reviews for this restaurant. Food quality varies from great to awful, with large portion sizes but overpriced items and canned ingredients. Service ranges from friendly waitresses to rude and inattentive staff. The atmosphere is lacking, with loud music and boring decor. While some patrons enjoy karaoke night, others find it difficult to have a conversation due to the noise level. Overall, a place with potential but needs improvement in both food and service quality.
