Here you can find the [menu](#) of **Potato Patch** in Texarkana. At the moment, there are **34** meals and drinks on the menu. Recently renovated, Potato Patch offers a popular menu known for its potatoes and BBQ sandwiches. While many patrons appreciate the generous portions and quick service, not everyone is satisfied. Complaints about undercooked baked potatoes, incorrect orders, and overlooked customer preferences—specifically regarding onions and toppings—are common. Despite these setbacks, several reviews highlight the restaurant's improvements in customer service and food quality, praising the friendly staff and the abundance of filling in their dishes. For those seeking budget-friendly comfort food, Potato Patch remains a notable choice, though diners should verify their orders before leaving.
