On this site, you can find the **complete menu** of Caffè Nero from Bath and North East Somerset. Currently, there are **15** courses and drinks up for grabs. Nestled conveniently near the train station, this Caffè Nero offers a spacious and inviting atmosphere that belies its small exterior. While the relaxed ambiance is complemented by friendly baristas and delicious beverages—especially the praised hot chocolate and Flat White—some recent experiences have highlighted operational challenges. Instances of rushed service, forgotten orders, and cleanliness issues have surfaced, indicating potential understaffing. Despite these hurdles, many visitors appreciate the accessibility of the app for ordering and the availability of WiFi and power sockets. Overall, while improvements are needed, the coffee shop remains a popular gathering spot with a cozy vibe.
