A complete [menu](#) of Greens And Grains from Northfield covering all 16 menus and drinks can be found here on the food list. Greens and Grains Northfield has garnered mixed reviews that highlight both its delights and disappointments. The restaurant is praised for its delicious acai bowls, generous portion sizes, and a diverse menu featuring tempting options like the Cuban Panini and meatball pita. Diners appreciate the dedication of the hardworking staff and often commend the friendly atmosphere. However, instances of inconsistency, such as stale falafel wraps and subpar ingredients like rotten avocado, have been noted. Despite these setbacks, many patrons express a desire to return, eager to explore the fresh, vegan offerings and indulge in their well-loved smoothies.
