The Card of Morrison Holiday from Morrison contains about 16 different menus and drinks. On average, you pay for a dish / drink about \$4.8. Nestled in a charming town, this restaurant boasts a vibrant atmosphere with live music and friendly staff. While some patrons enjoyed the delicious burgers and lively karaoke nights, others raised concerns about expensive drinks and unwelcoming regulars. The service is generally friendly, highlighted by exceptional staff like Josh, who efficiently handles busy nights. However, issues arise from an overwhelming crowd and noise, particularly from groups monopolizing the music. Overall, while many appreciate the culinary offerings, the experience can be marred by atmosphere and service inconsistencies, leaving some patrons hesitant to return.
