The restaurant from [North Platte](#) offers **59** different **dishes and drinks on the menu** for an average price of \$11.3. Ruby Tuesday offers a mixed dining experience that varies dramatically among visitors. While the salad bar garners consistent praise for its fresh offerings, many diners find the main dishes lacking in quality, with complaints about overcooked broccoli, soggy bread, and inconsistently prepared steaks. Service, however, stands out as a highlight, with several guests noting attentive and friendly waitstaff that enhance the overall experience. Additionally, the restaurant is seen as a convenient stop for travelers, offering a welcoming atmosphere. Though some reminisce about its former glory, the combination of good service and a decent salad bar keeps patrons returning.
