A comprehensive [menu](#) of Subway Restaurant from Mojave covering all 15 menus and drinks can be found here on the food list. The Subway in question seems to have a serious management issue, with multiple reviews detailing the rude and disrespectful behavior of the Indian female manager towards both customers and employees. Complaints include serving rotten produce, outdated sauces, and a general lack of cleanliness.

Customers have expressed feeling unwelcome and not valued, with the manager reportedly calling her employees incompetent and even serving rotten vegetables to customers. Despite this, one review does praise the cleanliness and speed of service, specifically recommending the Fountain Beverage, Black Forest Ham, and All-American Club. Overall, it seems the unpleasant atmosphere created by the manager overshadows any positive aspects of this particular Subway location.
