On this site, you can find the **complete menu** of **At The Hickstead** from South Somerset. Currently, there are **16** courses and drinks up for grabs. Nestled within the Hickstead Hotel, the restaurant offers a dining experience that can be both delightful and frustrating. While many patrons rave about the delicious main courses and desserts, they have noted inconsistencies in starter quality and occasionally disappointing service. While some found the staff friendly and accommodating, others experienced long waits and errors in their orders. Vegetarian options received high praise, and the breakfast, particularly the sausages, impressed guests. Afternoon tea is a highlight, featuring well-presented food and attentive service. However, noise levels and overall atmosphere could enhance the dining experience. Overall, there's potential for greatness amidst the challenges.
