A **comprehensive [menu](#) of Whataburger #412** from El Cajon covering all **21** meals and drinks can be found here on the card. A recent visit to a Whataburger location on Fairbanks left a customer feeling disappointed with wrong orders and rude staff. Another customer was frustrated with repeated mistakes and lack of proper training at the same location. Despite these negative experiences, long-time customers praised the quality of the food provided by Whataburger, such as good burgers, chicken tenders, and fresh ingredients. While some diners enjoyed great service at certain locations, others were put off by poor attitudes and long wait times. Overall, it seems that experiences at Whataburger can vary greatly depending on the specific location and staff members on duty.
