A **comprehensive [menu](#) of King Edwards Chicken** from Saint Charles covering all **15** meals and drinks can be found here on the menu. King Edwards is a beloved spot for some, especially known for their Catfish Dinner, but recent experiences have left some customers less than satisfied. One diner's meals were missing hushpuppies, with the staff being unhelpful and rude when confronted about it. Additionally, there were issues with hidden charges and overpriced sides. On the positive side, the fried chicken and fries are top-notch, with many praising the flavorful breading and fresh quality. The atmosphere of the restaurant may be lacking, but the delicious food keeps people coming back time and time again, despite occasional size discrepancies in chicken pieces. Overall, King Edwards is known for its delicious fried chicken, even with some hiccups in customer service and pricing.
