On this site, you will find the **complete menu** of Dutch Drive Inn from [The Pas](#). Currently, there are **24** dishes and drinks available. The Dutch Drive-In restaurant in The Pas has garnered mixed reviews from customers who have visited. While some have complained about hair found in their food, lackluster service, and wait times, others have praised the delicious hot dogs, fries, and poutine. The old-school drive-in feel has been a highlight for many, with the window tray service and nostalgic atmosphere adding to the experience. The fries and gravy have consistently received high praise, with some customers stating that they are the main reason they keep coming back. Overall, The Dutch Drive-In seems to have a loyal following despite some areas that could use improvement.
