A **comprehensive menu** of Franks Pizza from Oak Ridge covering all **16** meals and drinks can be found here on the card. Frank's restaurant has received mixed reviews, with some customers unhappy about the food quality, service, and even potential credit card theft issues. One reviewer mentioned finding black hairs in their food and experiencing unauthorized charges after using their card at Frank's. On the other hand, other customers raved about the size and taste of Frank's special salad, as well as the delicious mussels, especially the red sauce version. Friendly staff and good food were highlighted by long-time customers. Overall, Frank's seems to have some areas for improvement but also has loyal fans who appreciate certain menu items.
